Join us for a day…stay for a lifetime!!!

Willow Creek Golf & Country Club has developed a reputation for being the premier private Club in South Oklahoma City. Whether it is our championship golf course, our active tennis program, our dining facilities overlooking the golf course, or our numerous social events, we offer something for everyone to enjoy at Willow Creek Golf & Country Club.

We have created a "Member for a Day*" program to assist you in making an informed decision about joining Willow Creek Golf & Country Club. This program allows you to choose…perhaps a round on our championship golf course or a game of tennis, enjoy a meal prepared by our Chef, or you might even be interested in meeting a few of our members. By experiencing the Club firsthand, we are confident that you will see why Willow Creek Golf & Country Club is the place you'll want to join.

During your visit, you will receive a tour of the facilities and a copy of our membership packet. What you will not receive is any "sales" pressure. You are our guest and will receive only the attention you desire.

To arrange your "Member for a Day*" opportunity, please contact me at 405.685.7751 Monday through Friday.

Sincerely,

Lisa Bridges

Membership Director
